The 4th Establishing Expertise as an Ethical Expert Witness – *Experts and Lawyers Collaborating to Help Victims*

This training is designed for attorneys, domestic violence service providers and professionals who are interested in being considered as expert witnesses in court cases involving domestic violence. This intensive two-day training provides participants critical skills needed to serve as an expert witness or use the skills of an expert witness in domestic violence cases; knowledge about the ethical issues involved; knowledge about the legal environment expert witnesses work in; and issues involved in expert witness testimony.
